Oakland Municipal Identification/Stored Value Card

Addendum 1

- 1. Page 9, Section 5, The City's Local and Small Local Business Enterprise Program, of the RFQ as been modified as follows:

The City of Oakland's Local and Small Local Business Enterprise Program (L/SLBE) is waived on this project. The City's database of certified firms does not contain at least three firms listing Foreign document authentication system, Biometric (facial) identification capture and verification system, and reloadable stored value card services. Therefore, the L/SLBE program is hereby waived. However, successful proposers may be asked to become certified under the City's L/SLBE program within a specified time period after contracts are executed.

- 2. Attachment C, City of Oakland Professional Service Agreement
